

DNA-RNA-Protein Synthesis Model Checks

Stamps for steps or “Yes. I can follow directions.”

DNA

Individual Nucleotides Made _____

Nucleotides Paired Correctly _____

DNA Replication

DNA Unzipped Correctly _____

New Individual Nucleotides Paired Correctly _____

mRNA Transcription

mRNA Nucleotides Made _____

DNA Unzipped Correctly _____

mRNA Nucleotides Paired Correctly _____

mRNA Unzipped Correctly _____

Translation

mRNA Strand in Correct Location _____

tRNA Made Correctly _____

tRNA Paired Correctly _____

Amino Acids Linked _____
